RESPONSE

Commissioner For Patents
P O Box 1450
Alexandria, VA 22313-1450

Dear Sir:

By an Office Action dated July 16, 2004 in the file of this application, the Examiner rejected the application under the doctrine of obviousness-type double patenting over US Patent No. 6,603,835. Submitted with this Response is a Terminal Disclaimer between this patent application and US Patent No. 6,603,835. It is believed that the filing of this Terminal Disclaimer will obviate the sole ground of rejection applied against the claims of this application. Accordingly, reconsideration of the merits of this patent application, and the issuance of a Notice of Allowance, is respectfully requested.

This document is accompanied by a Petition for Extension of Time so that it will be considered as timely filed. Please charge the fee to Deposit Account No. 17-0055.

Respectfully submitted,

Nicholas J. Seay
